# Swan Vale Golf Club THE ESTABLISHMENT YEARS

## 1995 - 1997

Club Swan Golf ( the clubs original name ) was founded in 1995 by employees of the Swan Brewery in Canning Vale. Our first President John O'Neill was the inspiration and mastermind behind it and helped with the design of the course which sat adjacent to the brewery on its spray field paddocks. All maintenance to the course was carried out by the inaugural members using their own equipment and on their own time.

With the golf course as part of the Brewery and run by the Social Club, access to the course was via electric gates using a swipe card. This also gave you access to the main buiding (which was a squash court complex), tennis courts and picnic areas for members.

The first game was played on 24th February 1995 and then the course was closed for approx. three months in order for it to consolidate.

The original layout was a single 9-hole course, but at the start of 1996 an additional 9 tees were added to give each hole two tees with a common green.

The tees were set at different lengths, which on some holes meant you played it as a Ppar 3 first time round, then possibly as a par 4 on the return.

Par for the course was 63 with an equal spread of par 3's and par 4's. Watering of the course was provided by the excess process water derived from the brewing process at the plant.

Due to benefits that brewery employees received, there was usually an esky of beer on every second hole, which more often than not, led to not so great scores on the day.

The Club had 30 original members in the first year (all Brewery employees) but once word spread and the committee agreed to open up outside membership to family and friends, the membership total grew to 47 by 1997. Throughout these early years the atmosphere tended to be more on the social side, but when important events were held, the competition soon became very serious.

The Club Championship during this time was held as a Matchplay knockout event, with all members eligible.

Due to the relatively few number of members, the list of awards handed out was small, but fiercely competed by all.

Sadly for some, with the increase in non-brewery members and the steady decline of Brewery employees, the complimentary eskys faded out. This however did not dampen the social aspect of the club, with many players staying back to enjoy a BBQ along with a few pre-purchased drinks.

The wind-up/presentation of awards was an informal event held after the last game of season and generally under the verandah of the original clubhouse and included a BBQ and complimentary drinks. The AGM was also held at this time where members voted for the following years committee.

Prominent members during this time were:

Dick Johnstoff -		1777		
Dick Johnston -	Club Champion 1997	1997		
Steve Holden -	Club Champion 1996	1996

## Swan Vale Golf Club THE DEVELOPING YEARS 1998-2000

During this time membership numbers stayed relatively steady, with a stream of incoming new members and original members leaving, an effect caused in part to corporate changes at the brewery in regards to the Social Club and its benefits. A new committee had been sworn in with the intent to expand the Club.

With the Club membership expanding, new awards were developed including the Monthly Medals, the Club Championship became a 4-day stroke event ( held over 4 weeks ), and the Matchplay Championship was maintained as a separate stand alone event. Other events that were introduced included the Eclectic Award, Best Nett for the year, Nett Championships for all grades, Golfer of the Year, Best Clubperson and the Open Day

Due to further re-structuring changes at the brewery and the subsequent closing of the course, the Club was forced to re-locate in the middle of the year 2000 to Rosehill Golf Course. Rosehill offered a different challenge for the members as it brought them to a course more in line with the standard 18-hole courses in the metro area, instead of the shortened par 63 layout at the Brewery.

Despite the change, the membership remained relatively consistent which is testament to the members at the time and the efforts put in by the Committee to keep the Club as strong as possible. Sadly, some committee members who originated at the Brewery made the decision to leave the Club due to the re-location. An unfortunate situation, but it opened up the opportunity for other members to join the committee and help with the running of the Club.

In conjunction with Rosehill management, the Club negotiated a suitable time slot that suited our members. While the outlook seemed stable it was sad in a way as the move to Rosehill at the time basically cut our ties with the Brewery course and our original members ( or so we thought ).

As the Club moved location mid-year, the committee made the decision to award year end prizes ( in certain categories ) for both Rosehill and the Brewery. Membership during this time fluctuated between 35 - 50, and after the move to Rosehill, as at the end of year 2000 it stood at 45.

Prominent members during this time were:

Jerome Donders -	President	1998-2000
Don Fiscus -	Captain	1998
Mike Raspa -	Captain	1999-2000
Ron Murphy	Secretary / Treasurer	1998

# Swan Vale Golf Club THE EXPANSION YEARS 2001-2004

2001 saw a dramatic change to the club. Firstly, we moved back to the Brewery course, (which had been re-opened as a new business venture by an independent company) then the Club received a massive membership boost due with the inclusion of an influx of Whaleback Warriors members. The Warriors members transferred to Swan and a membership of 127 was reached. Due to the number of members, a Sunday morning competition was introduced with Chris Brigland being named as Sunday Captain. This was one of the reasons for the relocation to Hillview, as the number of players participating on a 2-tee, 9 hole course was not practical and meant that often members were unable to get a game. In order to do best by our financial members, the Committee negotiated a playing time slot with Hillview Golf Course, and the Club has been there since.

With the inclusion of Warriors members, many awards were customised to suit the number of ladies now playing. A Club Championship award for the ladies as well as the Eclectic and a separate division for the Monthly Medals were introduced. On the committee side a Ladies President, Handicapper and Ladies Representative were added to the management team

The following year, 2002, the numbers dropped off, mainly from ex Warrior members, and this trend continued over 2003 - 2004, where our membership stood at 75. Those few years were difficult for the committee, who were trying to juggle quite large fields over two days and with limited tee slots available at the course, with some members becoming disenchanted. The season schedules for these years were developed to introduce variety, so away games were included and season long based awards were fine tuned in order to give every member a chance.

During this period, the Club developed a monthly newsletter generated by Tony Hopson (dec.), a committee member between 1999-2003, and it contained Club news, golfing tips and assorted golf related articles. Sadly, Tony has since passed away, but if you look in the garden as you approach the 10th tee, you will see that a plaque has been installed, in memory of his time and contribution to the Club.

The newsletter continued till 2006 with Cathy-Lu Woodcock at the helm, Jill Weaver provided extra input and Bill Buchanan supplied photos.

One pleasing aspect of this period was that the core base group of members stayed with the Club through these turbulent times and the committee, to their credit, adapted and fine tuned ways to keep the Club strong. The members showed their faith by remaining, and in the end the Club came out stronger.

In recognition of his foundation, maintenance efforts and leadership throughout his time at the Club during the developing years, the decision was made that our Open Day event would be named the "John O'Neill Trophy" as of 2004

# Swan Vale Golf Club THE CONSOLIDATION YEARS 2005 - 2009

This was the period where the club established the ground rules that reflect the way the Club is today. It was a time when our Constitution was written up, a standard formula and types of events were established and the membership total, although constantly changing slightly, remained steady in the 50's and low 60's. Within the Management Committee there were subtle changes where the Ladies Committee was dissolved and a Ladies Representative position was established. These changes allowed new voices to be heard and greater input was received from the membership.

To reflect the changes, the Constitution had to be revised on many occasions to ensure that the rules and by-laws reflected the needs of the Club and its membership.

Now that the Club had been at Hillview for a number of years, the Course Manager recognised that Swan Vale was a stable club, with consistent attendance numbers, so our timeslot for Saturday mornings was basically assured. This, in part, is one of the reasons the Club has been successful because it gave the members a sense of consistency and continuity.

With Hillview having the option of 3 separate 9 hole courses, the members enjoyed a variety in conditions and layouts. A rotation system was in place so that members got to play all 3 courses on a regular basis. Year end awards such as the Eclectic Award and Best Nett were modified to suit the course options.

By now, the Club had been going for over 15 years and as of the end of 2009, the Club had 30 members who had been there for at least 10 years.

It was also during this time that the Club issued Life Membership status to Jerome Donders (2005) and Doug Backhouse (2006).

# Swan Vale Golf Club THE FORMATIVE YEARS

## 2010 - 2014

From 2011, the Club enjoyed a relatively stable existence. Membership maintained relatively steady growth throughout this period and each year new members came on board and added value. One notable change to the Club over these years was the level of professionalism that the Club operated under. This came about by the personnel on the management committee and the dedication and attitude of the members.

The Club now runs all year round, with competitions throughout ( including the Summer Cup ). The Constitution has been revised and refined to suit the evolution and the needs of the Club. Handicapping is now done in accordance with National guidelines thru Golflink/AGU, and allows all members to access their performance at any time, and provides good base support for the Handicapper

During 2014 a Club website was established. This provides access to all members for information regarding yearly fixture, weekly results, archive information, latest handicaps and photos from past important events. Past Management Committee minutes are also available.

At the end of 2014, the Club celebrated its 20th anniversary. A special event was added to the calender, where former members were invited to join us for a game to vie for the Anniversary Plate competition.

The committee shared the responsibility to contact these past members and the turnout was a huge success with 15 former members taking part on the day, all of whom commented on the atmosphere and strength of the Club, and enjoyed catching up with members from their time when they were at the Club.

During this time the Club issued Life Memberships to Alex Wilson (2013), Geoff Worth (2014) and Paul Van Leeuwen (2014)

# Swan Vale Golf Club THE STABLE YEARS 2015 - 2019

The last few years has seen the Club stabilise in regards to fixtures, golf day attendances and management. The Open Day event is regularly attracting over 100 players, has good sponsorship representation and is an extremely well run event. During this period the Sandgropers Cup was introdued, the Drummond Award had a name change to the Travellers Cup, and a new award, the "Champion of Champions' was introduced. This award is open to all applicable winners from the previous year.

The Committee is well established and has a blend of wise heads and enthusiasm from newer members who have come on board to see how the Club is run and to have a say. Each year a well presented and organised Presentation/Awards Night is held at the season end. Over 35 awards are presented on a night designed to recognise individual acheivements and reward members for their support to the Club over the year.

At the end of 2019, the Club had 72 members, and saw consistent numbers on game day ranging between 32 - 40 starters. The fixtures for the seasons have a variety of games and Away games are well attended and sponsored.

2019 represented the 25th Anniversary of the Club and a game day was arranged within the fixture schedule to help celebrate the occasion. Being an important year for the Club it was decided by the Management Committee to commemorate the year with various functions and initiatives, including the addition of a special competition named the Anniversary Plate.

This was a 9-hole event using a customised fourball competition developed by the club Handicapper. A small function with past members was held after the event. The management of Hillview accommodated the Club by allowing it to have a two tee start for the event.

This period saw the Club issue Life Membership honours to Jodie Thompson (2017), Peter Evans (2018) and Dominic McGowan (2019)

Prominent members during this time were:

# Swan Vale Golf Club THE ADJUSTMENT YEARS

## 2020 - 2024

The beginning of this period started where we left off and all seemed routine until the world was hit with the COVID-19 virus.

Playing golf around the country was basically stopped. Social distancing rules came in and numbers gathering were restricted. The Club was forced to suspend fixtures due to Hillview Golf Course being closed. Gradually restrictions eased and we came to playing as public groups of two, then progressing to four and finally as a booked club.

Minor restrictions were still in place ( ie.. no removal of flagsticks, no rakes in bunkers, no swapping of scorecards, not being able to put out novelty markers and the wearing of masks while in the presence of others).

Credit goes to the Match Committee for adjusting the fixtures, which ultimately allowed for all major events to be completed and a full fixture accomplished. The 2020 end of year Presentation Night was held at the Kalamunda Bowls Club for the first time and was a great success with a full compliment of awards/trophies handed out on the night.

There were solemn times during this period for the Club as we lost four of our members with the passing of Sue Jones, Chris Downes, Steve (Macca) MacKay and David (Bundy) Bowles. All of them were much loved and respected and are sorely missed, but not forgotten, by all the members.

Covid was still a worldwide issue in 2021, but the Club functioned as normal as possible and a full year of events was achieved.

A revamped Management Committee was appointed at the 2021 AGM, which saw 5 (five) new personnel undertake Management roles. The combination of old and new was a good mix and the Club was better for it.

2022 was a successful year for the Club. An increase in sponsorships led to increased prizes for all the major events during the year. The management committee introduced a variety of subtle changes to events which was well accepted by the membership. 2022 also saw the Club enter two (2) teams in the Pennants Competition after a few years absense and it was a successful return with both teams taking out the tournament. The feat was repeated the following year in 2023 and in 2024. A fantastic achievement. Victorious Captains were Peter Bennett and David Mattock.

By the end of 2024, the Club had 87 financial members. The increase in numbers was due to many factors, including word of mouth, suitable time slots, dis-satisfaction with current club and finally the reputation that Swan Vale is a friendly and extremely well run club.

Kevin Brimblecombe became the most capped Club Champion (5 wins) in 2024 when he was joint winner alongside first timers Dean Maringoni and Dwayne Davey

**2024** represented the **30***th* **Anniversary** of the Club. A special team event day was arranged to celebrate this milestone in the Clubs history.

During this year the Club also had (4) members achieve their 10 year milestone, (4) members achieved their 15 year milestone and (1) member achieved their 20 year milestone.

Life Membership honours were awarded to **Ray Smith** (2021) and **Paul Jones** (2024)
